

Material Safety Data Sheet

Emergency telephone number: CHEMTREC: 1-800-424-9300
SOLID START, LLC 1-877-290-3950

Product code:

Product name: **INDUCTION CLEANER**

T2208

Health: 1 Flammability: 2 Reactivity: 0

1. MANUFACTURER IDENTIFICATION

Supplier: Solid Start, LLC
3705 HWY 98 South, Suite 1
Lakeland, FL 33812

Print date: 02/10/2010

Revision date: 02/10/2010

Prepared by: Amber Kossak

2. COMPOSITION/INFORMATION ON INGREDIENTS

Hazardous Components	CAS Number	PEL/OSHA	SARA	Weight %
ALIPHATIC HYDROCARBON	8502-41-3	500 PPM		80-90
LIGHT AROMATIC SOLVENT NAPHTHA	64742-95-6	100 PPM		1-10
1,2,4-TRIMETHYLBENZENE	95-63-6	N/A		1-10

3. HAZARDS IDENTIFICATION

Boiling point range(°F): > 300

Vapor density: Heavier than air

Solubility: Not soluble in water

Color: Clear Medium Brown
Liquid

Specific Gravity (H2O = 1): 0.82

Evaporation rate: Slower than ether

Odor: Solvent

pH: N/A

4. FIRE AND EXPLOSION HAZARD DATA

Flash point (°F): > 100

Flammable limits in air - lower (%): No data

Suitable extinguishing media: Use regular foam, dry chemical or CO2.

Specific methods: Not determined

Flammable limits in air - upper (%): No data

Special firefighting procedures:

COMBUSTIBLE! Keep away from heat, spark and flame.

Unusual hazards:

Vapors are heavier than air and may travel along the ground or be moved by air currents and ignited by heat, pilot lights, other flames and ignition sources at locations distant from material handling point.

5. REACTIVITY DATA

Stability: Stable

Materials to avoid: Avoid contact with acids and strong oxidizers

Hazardous decomposition products: Burning may produce oxides if carbon and traces of hydrocarbons.

Polymerization: Will not occur

6. HEATH HAZARD DATA

Principal routes of exposure: Skin, inhalation.

Eye contact: Can cause irritation.

Skin contact: Prolonged or repeated contact can cause moderate irritation, defatting and dermatitis.

Ingestion: Can cause gastro-intestinal irritation, nausea, vomiting and diarrhea.

Inhalation: Harmful by inhalation, in contact with skin and if swallowed.

Carcinogenic effects: No data is available on the product itself.

NTP: No

IARC: No

OSHA-Regulated: Yes

Medical conditions aggravated by exposure:

Preexisting skin, eye and respiratory disorders may be exaggerated by exposure to product.

General advice:

Skin contact: Immediately flush skin with plenty of running water for at least 15 minutes. Remove contaminated clothing and footwear. Wash before reuse.
Eye contact: Flush immediately with large amount of water for at least 15 minutes. Consult a physician.
Inhalation: If affected, remove individual to fresh air. If breathing is difficult, administer oxygen. If breathing stops, get medical attention immediately.

7. SPILL OR LEAK PROCEDURES

Methods for cleaning up:

Absorb the large spill with plenty of absorbent material. Use plenty of water on small spills.

Waste from residues / unused products:

Waste disposal must be in accordance with appropriate Federal, State, and local regulations. This product, if unaltered by use, may be disposed of by treatment at a permitted facility or as advised by your local hazardous waste regulatory authority.

Handling:

Protect against physical damage.
Store between 40 and 120 °F.

Technical measures/precautions: N/A

8. PROTECTIVE EQUIPMENT TO BE USED

Respiratory protection: An approved hydrocarbon canister for organic vapor should be worn if exposure will be prolonged.
Engineering measures: Provide sufficient mechanical ventilation
Hand protection: Wear chemical resistant gloves.
Eye protection: Wear safety glasses
Skin and body protection: N/A
Hygiene measures: Eye wash and safety shower should be easily accessible. Avoid contact with eyes and skin. Avoid inhalation of product vapors. Wash thoroughly after handling and before eating, drinking or smoking.

9. TRANSPORTATION INFORMATION

DOT shipping name: Consumer Commodity

U.S. DOT – Hazard Class: ORM-D

UN/I.D. No: N/A

Packing group: N/A

10. PRECAUTION AND OTHER COMMENTS

Disclaimer: To the best of our knowledge, the information contained herein is accurate. However, SOLID START, LLC does not assume any liability whatsoever for the accuracy or completeness of this information. Final determination of suitability of any material is sole responsibility of the user. All materials may present unknown health hazard & should be used with caution. Any product use, which is not in conformance with this data sheet, or which involves using the product in combination with any other processes, is the sole responsibility of the user.

Product name: INDUCTION CLEANER
